Coffee-Lovers Celebrate Valentine's Day All Month @ Hampton Coffee!

Coffee-lovers can celebrate Valentine's Day all month at Hampton Coffee Company Espresso Bars & Cafés in Water Mill and Westhampton Beach. This month's special coffee flavor is *Chocolate Cherry Kiss* and their signature beverage is the brand-new *Crème Brulée Latte*. The Crème Brulée Latte tastes just like the delicious vanilla and caramel custard dessert and is topped with melted raw sugar. Free samples of Chocolate Cherry Kiss coffee will be available every day from opening to lunchtime, all month long!

If you're looking for a great gift for your Valentine, surprise your Sweetie with a package of homemade Biscotti or some Chocolate Cherry-flavored coffee beans. If they're a tea-lover, surprise them with a beautiful canister of special Rose Petal or Chocolate Strawberry Tea.

Of course, Hampton Coffee Company is baking muffins, croissants, cinnamon rolls, cookies, and their famous scones every morning in each of their cafés and serving hot soup, warm sandwiches, and much more for lunch. Plus, their Zagat-rated full-service café at their Water Mill location is still open every day from 7am-3pm all winter. Enjoy specialties ranging from sizzling fajitas to grilled hamburgers to beer battered fish & chips, all at the best prices around.

Hampton Coffee Company is located at 194 Mill Road in Westhampton Beach, on the Six Corners Roundabout, at Bridgehampton National Bank, across from Village Hall, and at 869 Montauk Highway in Water Mill, next to The Green Thumb Farmstand. Both cafés are open every day all year from 6am-6pm. Visit www.hamptoncoffeecompany.com for more details.
